Dear Sir/Madam,

I am writing this letter to recommend the services of Alex Okumu to you. We have been working with him at our office in Nairobi and have a couple of other projects set out for this year. He offers high quality graphic design services.

We have worked together in creating different brand guidelines, logos, social media posts and application/Web UI design screens. In our opinion, his knowledge and creativity has resulted in impressive results to all clients.

Alex is a good designer to work with – a team player with a positive attitude and a leadership mindset.

We would like to ask you to consider him for graphic design needs in your organization. We strongly recommend his services.

Sincerely,

Isaac Mugwe.
